PRACTICE

## ANTITRUST AND COMPETITION

Leading the Way in Russian Law

## ANTITRUST AND COMPETITION

With expert skills in advising foreign companies on all aspects of corporate and M&A matters in Russia and the CIS, we particularly focus on corporate antitrust issues, including business restructuring and development of market strategy to comply with local antitrust regulation. Our dispute resolution team boasts extensive experience in the field having successfully represented clients in numerous antitrust disputes.

### OUR SERVICES

Comprehensive legal analysis of client's activities to ensure full compliance with the applicable antitrust legislation

Review and amendment of internal documentation, policies, and procedures to bring them into compliance with the applicable antitrust legislation

Representing clients in interactions with the State Antimonopoly Service of Russian Federation

Representing Czech food processing company in a trademark infringement dispute with a Russian producer; filing complaints with the court, patent office, antimonopoly service, police, and other relevant state bodies, resulting in the opponent's actions being recognized as an act of unfair competition

**Hamé**

Advice on protection of IP assets in Russia, legal defence with respect to trademark infringement in the Internet, negotiations with offenders, filing applications with the court and antitrust authorities; legal assistance in connection with rejection of the client's product from participation in public procurements in several Russian regions

**MEDA Pharmaceuticals**

Review and adjustment of internal anti-corruption and antitrust policies to bring them into compliance with the applicable Russian legislation

**Boehringer Ingelheim**

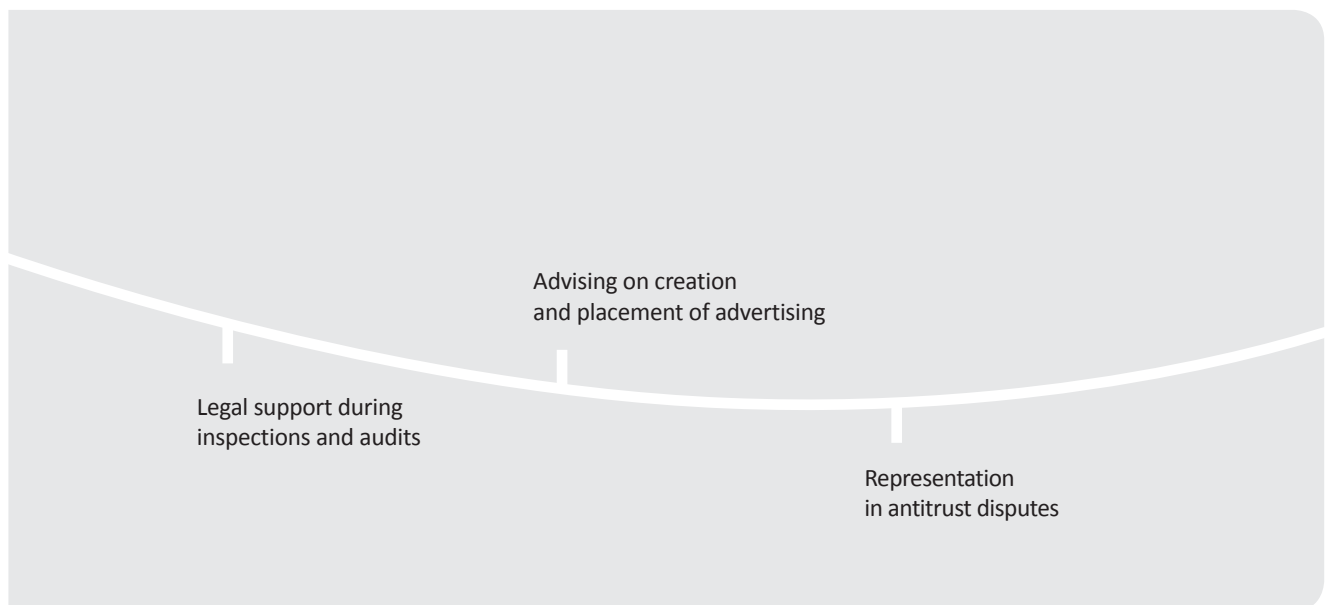

Advising on drug promotion, as well as regulation and risks associated with licensing of pharmaceutical activities and potential violations of antitrust laws

**Sanofi Russia**

We help to review and amend internal documentation, policies and procedures to bring them into compliance with the applicable regulations, and advise on creation and placement of advertising

Lidings offers comprehensive legal analysis of clients' activities to ensure full compliance with the Russian antitrust legislation

Our team represents clients in interactions with the State Antimonopoly Service, ensures legal support during inspections and audits, as well as representation in antitrust disputes

Advising the largest manufacturer of commercial and agricultural transport in China on a joint venture project to establish a production line in the Ulyanovsk region, including consulting on preliminary antitrust clearance related to share purchase deal within the framework of the project

**BAIC Group**

Advising the client on acquisition of 100% of the shares in a Russian oil producer, including the necessity to obtain preliminary approvals of the Russian Federal Antimonopoly Service

**Belorusneft**

Representing Taiwanese corporation during an investigation on violation of antitrust laws conducted by the Federal Antimonopoly Service of the Russian Federation

**ASUSTeK Computer**

Advising on all aspects of business activities in Russia including general business structuring, ensuring compliance with the Russian legislation, and advising on a variety of antitrust matters

**Turkish Airlines**
