## INTELLECTUAL PROPERTY

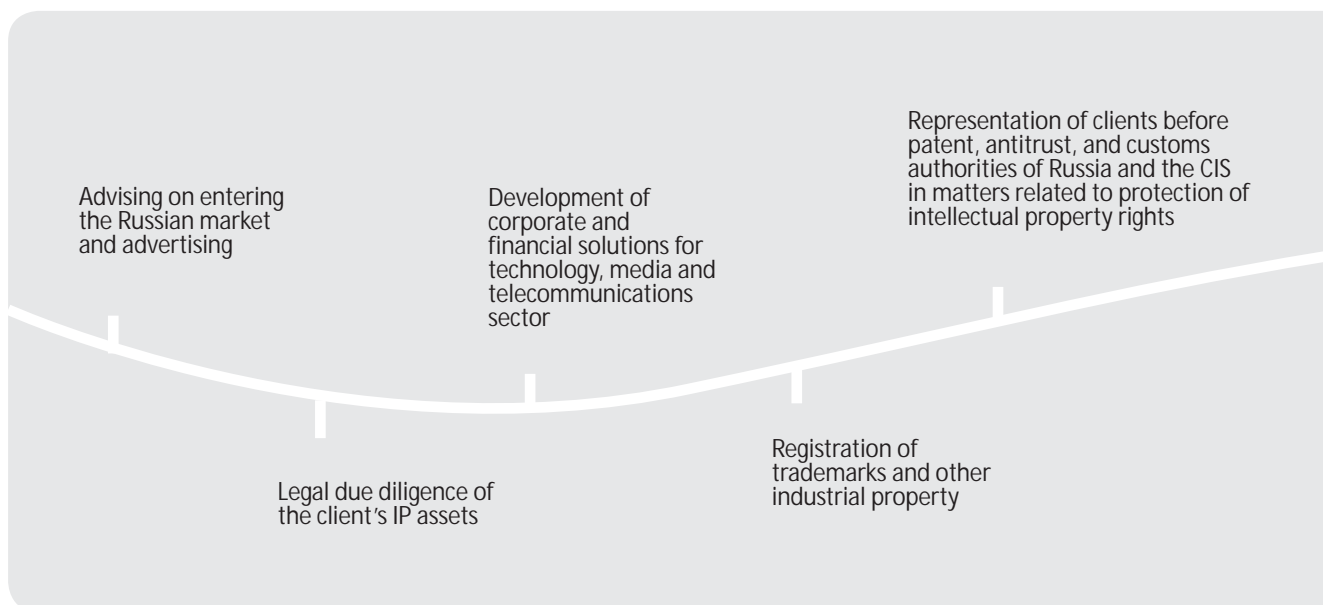

Leading the Way in Russian Law

## INTELLECTUAL PROPERTY

Lidings offers comprehensive legal assistance in relation to management and protection of intellectual property. As a law firm focused on providing legal advice to foreign businesses, we combine expertise in the Russian legislation with an ability to select the most efficient way to protect the interests of our clients in Russia and the CIS. With years of experience and an understanding of the national specifics of this area of legal practice, we advise a wide range of companies focusing on our client's operational and commercial priorities.

### OUR SERVICES

Representing the client in a trademark infringement dispute against Russian group of companies

Hamé

Providing comprehensive legal advice to a leading Chinese manufacturer of telecommunications equipment, including advice on the use of IP assets to increase charter capital of a number of Russian representative offices

ZTE Corporation

Advising the client on legislative regulation over IP right in relation to export and import of high-tech products and software, legal support in registration of patents and trademarks

Yokogawa Electric

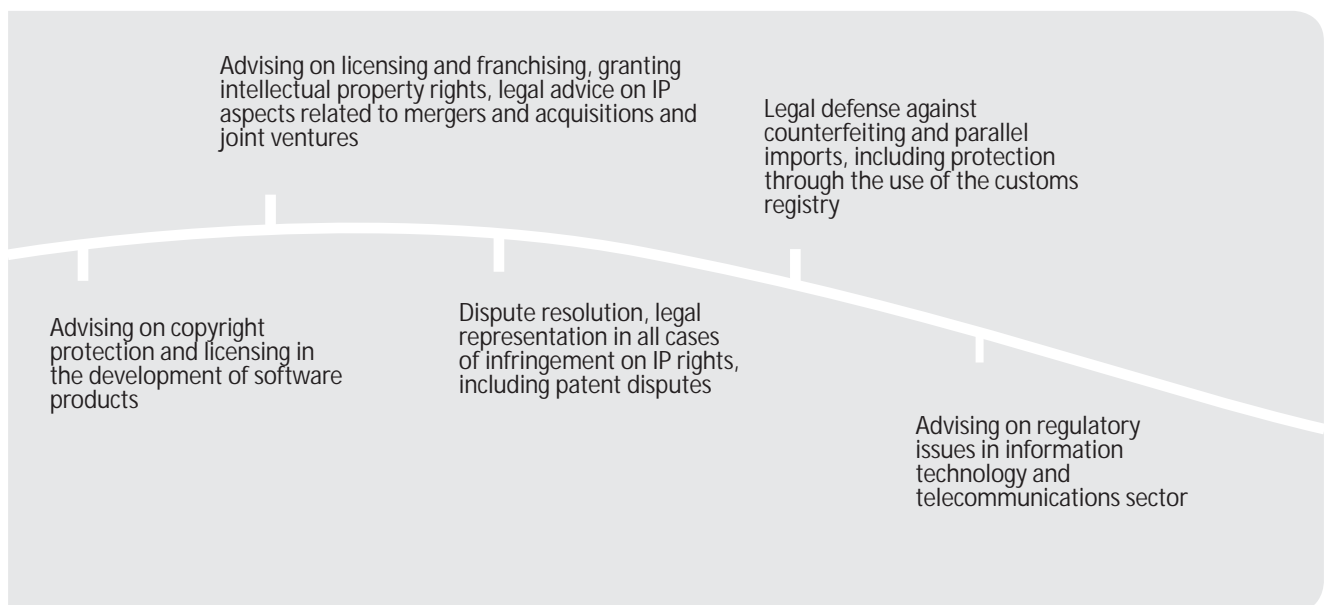

Advising a US technology corporation on appropriate protection measures against trademark infringements committed by competitors in their domain names

Emerson

Our experts provide leading international companies with legal services in all aspects of protection of IP assets, including trademarks, copyrights, patents, transfer of technology and know-how, drafting of contracts governing IP matters, and due diligence.

We have developed particular expertise in industries such as FMCG (consumer goods), aviation, automotive, information technology, telecommunications, advertising, pharmaceutical, and others.

Lidings represents clients before the national patent offices of the Russian Federation — Patent Disputes Chamber of the Russian Agency for Patents and Trademarks and the Federal Institute of Industrial Property, and offers full-service legal support in resolution of court disputes. All of our project teams include qualified patent attorneys and legal practitioners with extensive experience in protection of intellectual property rights.

**AAA AUTO**

**MEDA**  
PHARMACEUTICALS

Advising the largest distributor of used vehicles in Central and Eastern Europe on protection of its IP rights in Russia

Legal defence in disputes over unlawful use of the client's trademarks in domain names; advising on customs regulation and distribution of medical substances

Legal due diligence of the client's IP assets, advising on registration and protection of intellectual property rights for the sale of goods in Russia

Advice on distribution of rights to trademarks on certain categories of goods between the client's group of companies

**AAA Auto**

**MEDA Pharmaceuticals**

**Jafferjee Brothers**
